1. Club dues are all inclusive, **unless otherwise noted**, and helps the Club, among other things, cover costs associated with coaching expenses, club member training clinics, keeper training, field maintenance costs, player and staff insurance, TeamSnap, referee expenses (excluding State Cup and Summer/Winter league games), winter practice fields, league registration expenses, Solano Surf tournament, coaching education advancement, and access to the Surf Select program.
2. A \$100 volunteer fee is collected during registration. This fee will be refunded if you complete five hours of volunteer service, such as work at cleanup days, working the concession stand, field lining, and other opportunities as approved by the Board of Directors. If you do not volunteer, this money is used to pay (i.e. contractors) to accomplish the necessary work.
3. The uniform package includes two Nike Strike 2 jerseys (white and blue), one Nike Laser IV Woven Shorts (blue), two pairs Nike Classic Soccer Socks (white and blue), one Nike training jersey/shorts/socks (black), and a Nike Club hoodie. Samples are available for you to check for sizing prior to ordering. Additional items from the uniform package can be purchased separately.
4. Players may incur other costs that are specific to their individual team, or the individual member, and are not covered by Club Dues. They could/will include: Team Equipment, personal cost of travel, extra tournaments, Summer/Winter NorCal league, and other team specific discretionary costs, team field rentals, coach's overnight travel expenses etc.
5. All teams participate in two league seasons (Fall 2021 and Spring 2022). These are included in your Club Dues.
6. U15 through U19 teams may take the high school soccer season off. U15 through U19 players who are not participating in high school soccer during the winter break can participate in free club training sessions that will be offered by the club during this time period.
7. All players pay June 2021 through March 2022 (10 Months). The competitive year is 12 Months (June 2020 through May 2021), of which 9 or 10 months, depending on the team, are active with 8 to 12 weeks of downtime, depending on the team is required to be taken off. Generally the off time is taken during the high school or winter season for most teams. Fees are not waived if you leave the club of your own volition prior to the end of the competitive year.
8. As a nonprofit organization our Club dues are set as close as possible to our actual costs, which means we rely on all players paying the dues they have committed to in a timely manner. As such, refunds are not available under any circumstances. The only exception to this is if you chose to purchase the "Player Fee Insurance" option **available during initial registration only**. If you purchase this option the fees are refundable under the following circumstances only: Season ending injury or illness, death of a parent, mental illness, job loss/relocation.
9. All teams have the opportunity to participate in State Cup. Due to the uncertainty of the number of home games that will be assigned referee fees are not included in Club Dues. If your team participates in State Cup you should expect to pay these costs separately. The State Cup registration fee is included in your Club Dues.
10. Soccer is an outdoor activity that can be impacted by inclement weather. Heavy rains can and do close the fields. We will cancel or alter games and training sessions were there is a risk to player safety. There are no refunds if games or trainings are canceled as a result of inclement weather, including rain, smoke, or heat.
