Generally the off time is taken during the high school or winter season for most teams. In general fees are not waived if you leave the club prior to the end of the competitive year. *Additionally, the monthly payments are not tied to whether or not the team is on break or is actively training.*
12. As a nonprofit organization our club fees are set as close as possible to our actual costs, which means we rely on all players paying the fees they have committed to in a timely manner.
13. Soccer is an outdoor activity that can be impacted by inclement weather. Heavy rains can and do close the fields. We will cancel or alter games and training sessions were there is a risk to player safety. There are no refunds if games or trainings are canceled as a result of inclement weather, including rain, smoke, or heat.
